SZR CLUB UNIFORM

OPEN FOR ORDERS 10 DEC - 31 JAN 22

After feedback from swimmers, Parents and Coaches, The Swimzone Racing Board has made the decision to change the Club uniform. We understand it may feel like the current one has not been in for long however it has proven to be not very popular with swimmers and the wait time from ordering is long.

After extensive and exhaustive research an affordable and comfortable uniform has been sourced. The uniform selection has a local supplier and we have been assured that the products won't be discontinued or dramatically changed.

Ideally all competitive members will wear all 3 items (hoodie, T-shirt and shorts) when attending meets. Club membership swimmers are welcome to purchase any of these items if they wish to.

Please look out for Mitchell Heberley (Marlins) and Genaya Baker (Makos) who will shortly be wearing the new uniform poolside for you to view.

Prices:

Hoodie: Adult \$60.00 and Child \$55.00

T-shirt: Adult \$36.50 and Child \$34.50

Shorts: Adult \$32.50 and Child \$30.50

Deck Coat \$148.00

The T-shirt and hoodie will have the swimmer's name on the back and the swimmer can opt to have their initials on their shorts.
