SWIMZONE RACING CLUB CHAMPIONSHIPS

At the end of our swimming calendar year, we hold a Club Prizegiving where we acknowledge our top competitors in each age group (e.g. 8 and under, 9 years, 10 years and so forth up to 16 years and over). Swimmers gain points from their results at meets registered in the Swimming NZ database from 30th November 2020 to 31st May 2021 (for this current year).

Each age group is ranked by PBs achieved, to identify the top 10 swimmers in that age group for specific events and distances. Points are then awarded to individual swimmers based on their PB ranking in their age group (E.g 1st place = 26 points, 2nd place = 21 points and so forth). The swimmer with the highest number of points will win the cup for their age group - boys and girls awards are given for each age group.

We updated our Club Championships Points Table on 15 March 2021, and included all financial swimmers. However, we need you to enter the Club Champs Meet, using Fast Lane, where you'll need to select add/amend entries to update times, and then save your changes.

You can find out more information about this process on our Events Page [here](#).

NEXT UP - AON NEW ZEALAND SWIMMING CHAMPIONSHIPS (HELD IN AUCKLAND 5th - 10th APRIL 2021)

This national meet is the pinnacle of competitive swimming for our most experienced swimmers. Qualifying for this event takes grit, commitment and a determination to succeed - and not only on the swimmer's part, but also for their coaches and families alike! To win a race at this level, brings recognition as a National Champion, and this year, the meet also counts as the Paralympic and Olympic Trials. So this is a hugely exciting meet!

Thank you to Lisa Wilson and Deidre Follett for organising the logistics for this away meet. The Club is also grateful for the grant it received to help with the costs to send our club representatives to this event.

Good luck to Lucy Abbott, Danele Botha, Thomas Bain, Ashley Boag, Ben Hemming, and Kody Tourelle who are competing at this event - you've got this!

AND

To coach Frank Tourelle, and Away Team Manager, Rachel Bain for looking after our swimmers during the meet.
